# Nursery and Pre-Prep Uniform Guide

# Introduction

An itemised uniform list is handed out to parents at the start of each academic year in September. Please ensure that all items of your child's School clothing and School bags are clearly labelled. All clothes must be marked with name tapes. A kit checklist is distributed each term for parents and pupils to sign when all items are named and checked to be in good condition. Form Tutors are responsible for the collation and checking of these forms each term.

Pupils' hair should be neat and tidy with no extreme hairstyles. Pupils with long hair need to ensure that their hair is tied back and may wear navy hair elastics, hair grips or hair bands. Please refer to the School uniform list for further details of which copies are available on the School's website.

Earrings must be small plain studs, in white or yellow metal. These must be removed or covered for all games lessons and sporting events.

Blazers should be worn when arriving and departing from School and should be placed on the child's peg before assembly and subsequently picked up before departure. In the winter, when the weather dictates, pupils may leave their blazer at School and travel in their School coat.

Boiler suits are worn at break times and at other times to protect clothing and, while this may appear antiquated, this arrangement has been in operation successfully for almost a century!

Shoes must be black, laced, buckled or Velcro and should be cleaned and polished regularly. Girls should not wear slip-on shoes or shoes with a prominent heel.

A full uniform list can be found on the School's website. Off-the-shelf shirts, blouses, trousers and skirts should not be worn and that School Blazer and Tylers are the designated providers of the School's uniform.
