

28 September 2021

Dear Parents

I am pleased to confirm our booking for the Year 6 Residential visit for this academic year, returning to our usual destination of Caythorpe Court, a PGL Centre near to Grantham in Lincolnshire.

Dates: Saturday 24 June – Wednesday 28 June

Places reserved: 41

Transport: Coach

Accommodation: En-suite dormitories

Board: Full board to include 3 hot meals per day

Cost: £540 + coach (dependent upon take-up)

Arriving on Saturday afternoon, the pupils will be part of PGL's Primary to Secondary Transition Course. There are 4 activities each day, plus an evening activity for those still wanting more. Examples of activities are; Raft Building, Abseiling, Jacob's Ladder, High Ropes, Zip Wire, Orientation, Quad Bikes plus many more.

Fully qualified staff from the centre will run all activities, with staff from Langley Prep in attendance. We will also have a member of the PGL team as our host for the week. There are a number of fully qualified medical experts on site and staff who are accompanying the children will make time to see any parents who may have medical queries before we leave.

The School has already paid deposits for the places and so I would like to have confirmation of interest by Friday 30 September. Places not taken will be returned to PGL at this point for other schools to take up. An initial deposit of £150 would be payable by this time, followed by further payments as detailed on the WisePay section of the website. The final payment will be clarified once we have confirmed numbers and cost of coach. If you wish to pay in one instalment this would also be a possibility. All payments will be through WisePay in the usual manner and the trip is now live on there.

Over the next few days, the PowerPoint used in Thursday's meeting will appear on the Parent Portal providing more details.

Please take a look at the [PGL website](#) where you can look at a typical course, weekly menu, action photos and download a 'parent guide' to everything.

If you would like to discuss this in more detail, please do email dsowry@langleschool.co.uk and I will get back to you as soon as possible.

Kind regards

Mr David Sowry
Head of Years 5 & 6
