### **Home testing update – All staff and Parents of Year 7 to U6 Parents and Carers**

Just to make you aware we have new home testing kits (Orient Gene, green and white pack), which are nose swab only (both nostrils), these will be available as the current test kits run out, please do carry on swabbing throat and nose with the current ones (Innova, blue and white pack) as per pack instructions.

Please ensure you read through the Orient Gene pack instructions carefully before testing with the new kits, I have included a video link below, for ease of use. Results reporting procedures remain the same to test and trace and the school portal via the Langley website Covid-19 link, as follows [COVID-19 - Langley School](#)
