

Year 6

Subject	Michaelmas 1	Michaelmas 2	Lent 1	Lent 2	Trinity 1	Trinity 2
Art	Under the Sea	Under the Sea	Telling Stories	Telling Stories	Insects	Insects
Biology	Evolution			The Human Body / Circulation	Revision	
Chemistry	Jellyvision	Chemical Changes		Acids and Alkalis	Revision	Discovery/ Investigations
Chinese	Greeting/ Numbers/ Family/ Pets/ Dates	Date/ Hobbies/ Sports	Revision activity/ assessment	School subjects/ Time&timetable	Food & Drink/Meals/Restaurant	Revision/ Culture activity
Computing	Networks, Communication and collaboration		Programming: Using Variables		Spreadsheets	Physical computing: Microbit
Design and Technology	2D design introduction A5 laser cut initials using 2d design Manufacture of wooden boat CAD and render Hand drawn mug		Bird feeder Accuracy in drawing & measuring Wood based practical skills (drilling, cutting, marking out, finishing, joining, sanding) Plastic practical skills - strip heater, edge finishing CAD (On shape)		Acrylic Holder Card modelling Plastics – bending CAD (2D Design)	
English	19th century detective fiction - Sherlock Holmes stories		Whole class novel		Famous People Biographies	Speeches and Balloon Debate
Food & Nutrition	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - Health & Safety - Why we eat food Practical Skills Learnt: - Knife Skills	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - The Eatwell Guide - Food Labelling Practical Skills Learnt: - Vegetable Dippers	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - Factors affecting food choice - Seasonality Practical Skills Learnt: - Shortbread Biscuits	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - Food Provenance - Food Miles Practical Skills Learnt: - Fruit Scones	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - Cooking Methods Practical Skills Learnt: - Stirfry	Introducing: Learn about the Eatwell guide, the nutrients in the diet to maintain a health balanced diet. Students also learn about fresh, seasonal foods from source to fork. Skills Learnt: - Sensory Analysis Practical Skills Learnt: - Pizza Toast
Geography	Geographical Skills		Indonesia country study		Wonders of the World	Easter Island
History	Roman Britain	Roman Britain	Viking Britain	Anglo-Saxon Britain	Norman Conquest	Norman England
Mathematics	Place value Addition, Subtraction, Multiplication and Division	Fractions Position and Direction	Decimals Percentages Introduction to Algebra	Converting units Calculating area and perimeter Ratio	Properties of Shape Problem Solving Exercises	Statistics Mathematical Investigations
Modern Languages	See Chinese above		See Chinese above		See Chinese above	
Physical Education	OAA	OAA/ Orienteering	Indoor athletic, Motor skills	Sport Ed: Dodgeball	Sport Ed: Invasion games	Sport ed: Stiking and fielding
Physics		Electricity	Energy		Light	
PDE	Habits for learning at school and at home.	Mental Health and Self Concept. Your relationship with yourself; your relationship with others.	Personal Boundaries; Consent; Abusive behaviour and staying safe; Human reproduction and puberty.	Marriage and commitment; Families; Study Skills for exams week.	Citizenship - Culture and Identity; School Culture; Health (diet, exercise, sun safety, swim safety)	Health (personal hygiene; dental hygiene; vaccination; treatment of illness)
Theology and Philosophy	Introduction to RS Covers a range of topics; terms for belief, the chronology of religions, are there such things as religious miracles? Is football a religion? Students are encouraged to think philosophically and to apply specialist vocabulary in a range of settings. As well as exploring why they should study the topic itself.		Religious Heroes Pupils study a different religious hero each lesson (Martin Luther King, Mother Teresa, Joan of Arc, Bruce Lee, Anne Frank, Malala) and have to complete an independent learning task throughout the course of study with a final presentation.		Buddhism unit Pupils study a range of beliefs and practices connected with the religion and the way it is practiced. They explore the ideas of, meditation, beliefs and rituals associated with Buddhism.
