## **Notice**

Full details outlining the School's relationship with Parents is outlined in our Parent Terms and Conditions. For the avoidance of doubt, all parents must ensure that a full terms notice is given to the School of your intent to withdraw your child. Where this does not happen parents will be subject to Fees in Lieu of Notice.

## **Payment Methods**

To minimise transaction charges, we ask that fees and charges are paid by our preferred method of direct debit. Alternatively, you can pay your fees in full on the first day of each term by BACS.

Fees or charges that remain unpaid at the due date will incur a late payment surcharge as documented in the bill payers Terms and Conditions.

For those bill payers requiring flexible options we also accept School Fee Plan (other options are available) offering a convenient and manageable way for parents to pay for independent school fees and extras. They split costs into regular monthly direct debits.

More information about this scheme can be found:

Should you be in a position to pay your Fees in Advance for a period of time, please do speak with the Finance Team who will be able to advise you of arrangements and the benefits associated with this payment method.

## **Tier 4 VISA Fee**

Where an international VISA is required, a separate charge will be applied.
